

“Summer Camp” at Eduardus-Hospital

Clinical and surgical training program for students and fellows

The Eduardus Hospital offers a special clinical trainee program for students during the semester breaks in cooperation with the University Clinic Cologne and fellows. Purpose is to intensify practical experience in an established Clinic for Orthopaedic and Trauma Surgery in Cologne. You ´ll have the opportunity to

- learn general and specific orthopaedic and traumatologic examination techniques during your work in the polyclinic, in the operating room and on the ward
- get an insight in actual orthopaedic, traumatologic, rheumatologic and arthroscopic surgical procedures
- take part at the interdisciplinary daily conferences to get experienced in orthopaedic and trauma case management and treatment
- visit our rehabilitation units (physiotherapy, occupational therapy, orthopaedic workshop)
- use the learned techniques analogue to individual ability (hands-on)
- join the weekly courses in orthopaedic and trauma education program
- take voluntarily part in the emergency service

The length of the program should be at least 4 weeks.
Introduction and care is guaranteed by experienced tutors.

We would like to be a part of your step in your further professional life.
